MODERATOR'S MESSAGE

Greetings in the name of our Lord and Savior Jesus Christ. Let me say that it has been a joy and a pleasure serving as Moderator of the Lebanon Virginia Baptist Association as I come into the second half of my first term. I still give thanks to God for the great things that He has done and is doing in the Association. I give thanks to my 1st Vice-Moderator, Dr. Eldridge Lucas, III, 2nd Vice Moderator, Dr. Douglas Adams, Jr., Division Presidents, Officers, Committee Chairs, member churches, pastors, delegates, facilitators, speakers, teachers, hospitality committees, and all others who have taken part in our activities this past year.

I would like to thank all of the churches who responded to the Haiti crisis. As we look forward to the coming year with the many challenges that are before us, I have no doubt we will succeed in achieving our mission. Your past support has shown me that we will be able to reach greater heights as we continue to unify as an Association. It is my prayer for all of the pastors, churches, and members, that they continue to trust God, who is able to do more abundantly than we could ever think or dream; But as it is written, eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love Him. (I Cor. 2:9 [KJV]). As we look forward to this year, we see the Lord doing even greater things in this great Association.

As I make my closing statement, I would like to especially thank my Executive Secretary for her help and loyalty. Her help has made my challenges of leadership much easier.

FALL PLANNING SESSION
Saturday, September 12, 2010
Poplar Lawn Baptist Church – Surry, VA**

The planning session met at the Poplar Lawn Baptist Church following registration and breakfast. Present were Moderator Childs, First Vice-Moderator Lucas, Second Vice-Moderator Dr. Adams and representatives from churches in the Association (18 members total).

DEVOTIONS

The meeting opened at 9:40 a.m. with the scripture reading of Ephesians 6:10-18 and prayer by Moderator Childs.

PAST BUSINESS

REVIEW OF THE ANNUAL SESSION

Deacon Joseph Anderson thanked the committee for asking him to do the "Purpose." Dr. Thanks in turn thanked him for a job well done. Sis. JoAnne Jones stated that we need to look at the time allotted for the Special Interest Group because this always runs over and adjustments have to be made afterwards.

Getting information and vouchers to the appropriate persons in a timely manner seems to be a problem. No one should have to run down this information. Moderator Childs stated that he made an adjustment in the stipends paid to facilitators, teachers, etc. who helped out at the Annual Session. He increased the amount by \$15.00 each. He believes in compensating people for their time and efforts. Sis. Gloria Wilson mentioned that the voucher may need to be revised.

It was noted that job descriptions for individual officers should be included in the Annual journal, as is with the different Committees. Dea. Edward Jones stated that there is a document of his information. Dr. Childs stated that this was not found in the old journals that Poplar Lawn has on file.

Division Chairs should get a copy of the Annual journal as do the delegates. Information from the various sessions should be included in the Annual journal. Information from meetings should be submitted to the Executive Secretary by the following meeting. This would facilitate the information being compiled for the Annual Session as we go along.

Treasurer, Sis. Angelia Cosby stated that she needs to be informed when speakers are present, so the checks can be written at that time and not in advance (in case the person scheduled does not show up). This is to avoid the wasting of checks. 2nd Vice Moderator, Dr. Douglas Adams stated that this responsibility should remain with that particular chairperson who is responsible for retaining the speaker.

All new information that comes up this morning will be critiqued, compiled and mailed. Bro. Albert Elliott stated that he needs a listing of condolences in a timely manner. It was stated by Dea. Edward Jones that this has been revised and should be turned in at each session.

PRESENT BUSINESS

COMMITTEE (S) REPORTS

TREASURER'S REPORT

Treasurer, Sis. Angelia Cosby gave a verbal summary of the Treasurer's report. Moderator Childs stated that the Operating Budget is the Assessment from the Churches. All other expenses will be deducted to show the true Operating Expenses. Also, some operating cost is being absorbed by churches. Dr. Childs stated that Poplar Lawn carried its assessment up by \$200.00. Poplar Lawn is also absorbing mailing expenses and some of the Annual Journal expenses. With all of this taken into account, we will compile a "true" Operating Budget.

BUDGET

The Christian Education budget should take care of both the quarterly session and the Annual Session. July to June is the fiscal year for the Association. Each church is assessed \$600.00 per year. Some churches pay more; some pay less; some have unofficially dropped out of the Association.

FUTURE BUSINESS

Letters will be sent to the inactive member churches. They will be given a deadline to respond before they are dropped. A follow-up letter may also be sent. Dea. Edward Jones found several copies of the Constitution which noted \$20.00 as the joining fee for churches, but this had not been updated in the Annual Journals. Sis. Eunice Gay suggested that a committee of ministers go out and encourage these inactive churches to come back. 1st Vice Moderator, Dr. Lucas stated that in preparing his thesis, he found research showing that some churches do not want to be under any kind of ruling body. Moderator, Dr. Childs stated that some of these churches have been inactive for years and that the Association has continued sending them correspondence for meetings and sessions. 2nd Vice Moderator, Dr. Adams stated that the Association needs to do a better job at marketing our organization. This can be done by education

and brainstorming. Sis. Gay stated that a lot of people whose children participate, do not know the purpose or what the Association is all about.

Sis. Cosby suggested that maybe we need to collect ads for our Annual Journal. This would help bring in revenue to help pay for our journal as well as advertise our Association. Sis. JoAnne Jones suggested that maybe the Annual Journal can be saved to CD (Compact Disc) to reduce the cost of making books. The budget for the Annual Journals will be assessed at \$1,000.

Sis. Angelia Cosby asked that the Christian Education Division and the Youth Division, who have been separated, submit separate budgets and submit separate itemized expenses for each

The Ambassadors for Christ Special Interest Group was added to the budget. Dea. Edward Jones shared that Dr. Daniel Baltimore stated that the C.A.B. Ministry budget should be split between these two groups.

The Scholarship Committee representative stated that they allotted each applicant \$300, however, the amount should have been \$500.00

Sis. Eunice Gay gave a report on what the Youth Workshop would entail and who the speakers will be. She wanted to know how much time she would be granted for the workshop. Dr. Childs will get back with her on this.

Dr. Childs stated that the Moderator is the official representative for the LVBA at the Baptist General Convention, however, we can send a delegate, even though we do not have the money.

The profit to the treasury is about \$1,100 for the Annual Session Banquet.

Dr. Lucas presented the love offering to the Hospitality committee (3 persons) and thanked them for the delicious breakfast.

BENEDICTION

The Fall Planning Session adjourned at 12:00 with prayer by Dr. Lucas.

WINTER PLANNING SESSION

Poplar Lawn Baptist Church – Surry, VA**

DEVOTIONS

The planning session opened following breakfast. Moderator Dr. Bruce Childs and 2nd Vice-Moderator Dr. Douglas Adams were present, along with thirteen (13) other members present. Moderator Childs called the session to order at 9:35 a.m. He opened with scripture taken from Ephesians 4, which deals with working together in unity and followed with Prayer.

PAST BUSINESS

REVIEW OF FALL SESSION (DIVISION OF YOUTH)

Moderator Childs stated that all of the seminars sessions were very good, especially the one getting the children involved in Childhood Obesity. It was also noted that one of the main proponents—the adults who do the shopping were not in big attendance at the seminar. The seminars were good for the adults, as well as for the youth. Dr. Childs thanked Sis Eunice Gay, the Youth Division President, for a great session.

Dr. Childs stated that Sis. Seneca Bock, the facilitator who spoke on Childhood Obesity, also wants to get something started in our area that will help us as far as our health. She will be talking to other pastors in the area.

PRESENT BUSINESS

COMMITTEE (S) REPORTS:

No reports were given.

Concerning the Bolden Bradby Scholarship Fund, Moderator Dr. Bruce Childs, stated that nothing has been done lately to generate funds. Sis. Clara Jones stated that she and Dea. Edward Jones had a discussion and it was noted that awards have already been given to all noted persons and maybe the Association can direct these funds to the Bolden Bradby Scholarship Fund. Sis. Gloria Wilson stated that she will take the responsibility for First Gravel Hill not taking care of their assessment. Due to their pastoral transition, this was forgotten. In the past a banquet was held to raise funds for the scholarships; however somehow the focus got changed from the youths to the

Awards Banquet. Sis. Roslyn Elliott stated that she feels that after expenses from the Annual Banquet, the proceeds should go to the Bolden Bradby Scholarship Fund. Dr. Daniel Baltimore stated that in agreement with Sis. Lucy Butler, it would be good to combine the Banquet Awards for the Adults and the Bolden Bradby Scholarship Banquet. It was noted by Moderator Childs, that the scholarship award was changed to \$500.00 for graduates. This amount was also listed in the LVBA Annual Session journal. The amount allotted was \$400.00. Dr. Baltimore asked that consideration be given to amending the amount to state \$500.00 if the funds are available at such time. Sis. Elliott asked why the Bolden Bradby Scholarship Fund could not operate as a separate entity. This would help keep controls within the Association.

Dr. Childs stated that Sandy Mount plans to come back into the LVBA as an active member. We are counting 17 churches as part of the Association. This could net \$10,200 in appropriation from member churches. Dr. Childs stated that he had considered asking the churches to raise their assessment, but he noticed that some churches are already paying more than the mandated \$600.00 per year assessment.

It was suggested by the Moderator to only do 34 books instead of 100 (2 for each member church). The churches hopefully will be able to absorb the cost of the paper and ink. This is what Poplar Lawn is doing.

Certain budget cuts were made for the year. Badges for delegates will be done by the Executive Secretary due to the cut of the Registration Package budget line.

FUTURE BUSINESS

WINTER SESSION

Christian Education Division President, Sis. JoAnne Jones was not able to attend this meeting, so Dr. Childs read her proposal for the upcoming Winter Session. The Winter Session will be held at Lebanon Baptist Church.

Dr. Daniel Baltimore thanked the Kitchen Committee of Poplar Lawn for the Breakfast and presented them with a donation that was collected from attendees.

There being no further business, the planning session was adjourned. Benediction was given by 2nd Vice Moderator, Dr. Douglas Adams.

DEVOTIONS

The planning session opened following breakfast. Moderator Dr. Bruce Childs and 2nd Vice-Moderator Dr. Douglas Adams were present, along with thirteen (13) other members. Moderator Childs called the meeting to order at 9:35 a.m, opening with scripture taken from Ephesians 4:1-10.

PAST BUSINESS

REVIEW OF WINTER SESSION

Moderator Childs voiced his thanks for Lebanon Baptist Church and Pastor Gregory Spurlock for hosting the Winter Session. Christian Ed Division President, Sis. JoAnne Jones gave an overview of the Winter Session. It was noted that Dr. James Harrison who facilitated the biblical seminar promised to send us his handouts, since he did not have them available at the time of the session. Several members inquired about the handouts. Moderator Childs stated that he would call Dr. Harrison about getting them. The general consensus is that the Winter Session was very good.

PRESENT BUSINESS

COMMITTEE REPORTS

REPORT OF PROPOSED BUDGET 2010-2011

Moderator Childs reviewed the 2009-2010 Proposed budget cuts. One highlighted change is that we will only print manuals for the delegates we have names for (probably about 30 or more). The registration package budget was cut to zero. It was also noted that the BGC/VUL that are listed together were sent \$1,000. This amount has been cut in half. We are not sure if the \$1,000 was being split between the two, so we decided to send each check separately. A check will be sent to the Childrens' Home in the amount of \$1,000. The Deacons/Ministers Relief budget was cut to zero because they have intake coming in.

BOLDEN BRADBY SCHOLARSHIP FUND

The Bolden Bradby Scholarship Committee was not represented at this meeting. Dr. Childs stated that this is the 2nd year that we have not had extra funds coming in to support the scholarships. During Rev. Robert Elliott's tenure as President of the Scholarship Fund, the churches were asked to make donations to the fund. Dea. Edward Jones stated that some of the churches are still supporting. The amount over and above the \$600.00 appropriation can be slotted to go to the scholarship fund or wherever the donating church designates. Dr. Childs stated that if this is done, the budget would need to be cut even more. Dr. Daniel Baltimore stated that a fund-raiser would probably be the best solution. Dea. Edward Jones stated that the Bolden Bradby Scholarship Committee never intended to have fund-raisers to support the scholarship. He suggested that the Awards Banquet should be used to support the scholarship fund. Dr. Childs stated that we will have to come up with a plan to put more emphasis on it and someone from the Bolden Bradby Scholarship Committee needs to be present at meetings

FUTURE BUSINESS

The Spring Session will be held at Morning Star Baptist Church on Saturday, April 10, 2010. The Division of Laymen and Clergy are in charge.

Dr. Daniel Baltimore and Dea. Joseph Anderson gave an overview of what is planned for the Laymen and Clergy Division Spring Session. Dr. Baltimore stated that his information for the session would be submitted in about ten (10) days.

A revision to the LVBA Mission Agenda was distributed.

Sis. JoAnne Jones is requesting to have Rev. Robert Palmer as her Vice-President for the Christian Education Division. Dr. Childs wanted clarity on the formal process before allowing this to become official. Sis. Jones will get back to the Executive Secretary concerning his.

Sis. JoAnne Jones stated that the Christian Education Division will be having a Bible Bowl during the Annual Session. She will be calling on some individuals for support.

It was noted that we will need to get someone to fill the deceased Dea. Frank Butler's office as Finance President. We should try to do this by the next session in April. The Finance President's signature is needed on checks.

Per the Constitution, those member churches who have not paid their assessment for a period of time can be automatically dropped.

Moderator Childs informed the planning session members that a new church has been established by Rev. Dennis K. Ellis. This church is named Tabernacle Baptist Church.

EDIFICATION AND MINISTRY SHARING

Dr. Adams thanked the Kitchen Committee for the delicious breakfast they prepared.

ANNUAL PLANNING SESSION

Poplar Lawn Baptist Church – Surry, VA**

The Annual Planning Session opened following breakfast. Present were Moderator Dr. Bruce E. Childs, 1st Vice Moderator Dr. Eldridge Lucas, 2nd Vice Moderator Douglas Adams and ten (10) other members.

DEVOTIONS

Moderator Dr. Bruce Childs called the meeting to order at 9:50 a.m. followed by scripture taken from Mark 9:33-41 and prayer. The focus is on unity.

PAST BUSINESS

REVIEW OF THE SPRING SESSION

Deacon Joseph Anderson , Laymen Division President, stated that everything was good, but attendance should have been better. He said he was led to recognize and inspire the youth, so he did so with a plaque for greatest youth attendance. The sheriff's department facilitated a seminar with the youth. It was noted that Dr. Daniel Baltimore, Clergy Division President, gave an excellent presentation. Having his information in print was a plus because it could be easily shared. Special thanks is extended to the Morning Star Baptist Church for hosting the Spring Session.

REVIEW OF MISSION SEMINAR

Sis. Lillie White reported that the Mission Seminar was excellent and in spite of all that was going on in and around the county, the turnout was good. Sis. Seneca Bock spoke on Obesity and Officer Kurt Beach did an excellent job informing the Senior Citizens about Safety and Scams. Special thanks is extended to the Little Zion Baptist Church for hosting the Mission Seminar.

PRESENT BUSINESS

COMMITTEE REPORTS

BOLDEN BRADBY SCHOLARSHIP FUND

Rev. P.D. Wells, President of the Bolden Bradby Scholarship Committee, reported that the treasury has \$5,000.07, however, there may be more because some paperwork is still going to Dr. Robert Elliott, the former Scholarship President. Some 2009 prospective recipients have not yet provided proof of attendance. Sis. Janice Dobbs reported those names, so that the members present could take those names back to those students.

Moderator Childs stated that the Bolden Bradby Scholarship Committee should be accountable to the Lebanon VA Baptist Association as far as providing a recipient list and the date the scholarship monies were disbursed. The names of the Scholarship Committee should also be provided. Dr. Childs stated that in looking at the officers and committees, it looks as though they are not changing even after the election of officers. The newly elected presidents are inheriting past committee members. Dr. Childs stated that he has no problem with this, but questions come up and at times these questions are not answered by the Constitution that is in print in the journals. As it stands the committees are in position to tell the Moderator what to do. 2nd Vice Moderator Dr. Douglas Adams, suggested that the Committees be segregated in the book from the officers and listed as "Appointed Committees." Sis. Gloria Wilson suggested that statement #9 of the Bolden Bradby "Criteria for Eligibility" be recommended for revision. Also it was recommended that the Scholarship Application criteria #4 should be re-worded to exchange the word "typed" to "written legible" because we are now in the "computer age" and in order to be typed, the form would have to be scanned first.

Rev. Robert Palmer, Vice-President of Christian Education Division, gave an overview of what the Christian Education Division has planned for the Annual Session. Sis. Lillie White also gave an overview of the Missions program. Other than the removal of the Awards Ceremony portion, the Annual Session program format will be about the same as last year.

Members are asked to take a look at the last year's journal to see if we need to add additional informal or if we need to remove some information.

TREASURER'S REPORT

No report given.

FUTURE BUSINESS

The Baptist General Convention will be held June 27 thru July 2, 2010 at the Hyatt Regency Hotel in Richmond

The Annual Session will be held July 13 -15, 2010 at the Mt. Nebo Baptist Church. Tuesday night will be opening night; Wednesday night will feature Seminars and Special Interest Groups; Thursday night will feature Missions Program and Scholarship Banquet.

DIVISION OF MISSIONS - PRESIDENT'S MESSAGE

OUR THEME:

“Missionaries Embracing the Vision, Appreciating the Diversity in Worship”

Reverend Dr. Bruce Childs - Moderator, Reverend Dr. Eldridge Lucas, III - 1st Moderator, and Reverend Dr. Douglas Adams - 2nd Vice-Moderator of the Virginia Lebanon Baptist Association and its Allied Bodies, officers, members and friends.

“Oh how great it is to worship GOD” to stay connected to His Holy Word and to His Will. We must learn to always embrace the vision God has commissioned us to do. In a world full of changes from one moment to the next we must equip ourselves to meet these changes. As we strive to make those changes we must embrace the vision of love to help meet the needs of others. We should practice love as we embrace diversity in worship. Love is not selfish, resentful, or arrogant. Love is self-sacrificing. Love respects the dignity of every human being. Love as hospitality welcomes the vulnerable and suffering. This is GOD's greatest commission to love Him and then our neighbor. Love can mend broken souls.

As *“Missionaries Embracing the Vision, Appreciating Diversity in Worship,”* we must always seek GOD's Holy Word. We must allow His word to be a road map for us to follow. *“There are different kinds of gifts, but the same Spirit. There are different kinds of service, but the same Lord. There are different kinds of working, but the same God works all of them in all me (1 Corinthians 12:4-6).”* Always allow Love to flow through us so others can see His Love in us. We must let them know our GOD can do all things in His own way and His own time.

The spirit has given each of us a special way of serving others. Some of us can speak with wisdom, while others can speak with knowledge, but the gifts come from the same spirit. As missionaries we must be able to reach out to hurting, the lonely, downtrodden or depressed. It is the spirit who does all this and decides which gifts to give to each of us. As we help to feed the hungry, clothe the naked, and give water to the thirsty, or visit those in prison, we must allow GOD to always order our steps. We must use the gifts GOD has given us whether it is prophecy, speaking in tongues or interpreting the languages. Embracing diversity allows us to praise GOD according to our gifts. As we use our gifts, it allows us to sharpen our gifts as we share them with others.

What is your gift? How do you use it to *“Embrace the Vision, Appreciating Diversity in Worship?”* Can we always embrace the vision? Can we allow diversity in our worship? Let us continue to carry out God's Commandment to feed the hungry, house the homeless, give drink to the thirsty, clothe the naked, visit the sick or those in prison.

DR. CECILIA WILKERSON HARDY

"Amazing Grace, how sweet the sound that saved a wretch like me. I once was lost but now I'm found, was blind but now I see." Known to many as "CC", Cecilia, was born on January 1, 1960 in Newport News, Virginia. Dr. "CC" Hardy has always had a love for nature, which drew her closer to GOD. She was the third of four children born to Deaconess Bernice P. Wilkerson and the late Deacon Hezekiah Wilkerson. Dr. Hardy was reared in a home by parents who took her to church and helped her understand what it was to know and accept Christ.

Dr. Hardy was educated in the Isle of Wight County School System, graduating from Smithfield High School in 1978. She continued her education in Richmond, Virginia, graduating in 1982 from Virginia Commonwealth University with a BSW degree in Social Work and a minor in African American History. Recognizing a need for the older generation, she returned to school and in 1994 she received her Masters Degree in Gerontology from Norfolk State University, Norfolk, Virginia, focusing on Inter-generational Programs. Knowing she needed to study and understand where the Lord wanted her to be, again she returned to school and in 2005 received her Doctoral Degree in Biblical Studies from Grace Bible College and Seminary. Upon completion of school she began working with troubled youth and adults in the public and private sector. She has worked for over 25 years as a counselor.

Dr. Hardy was able to implement and design a program for the City of Newport News Parks and Recreation Mature Adult Program called the "GAP Exchange". This program won a VRSP award in 1999 as "The Best New Program" in Virginia Recreation and Parks Society.

Inspired by her love for people and a spiritual desire for a strong and nurturing church affiliation, Dr. Hardy wrote and published a book entitled *"UPON THIS ROCK, Faith Tried and Tested."* In *"Upon This Rock,"* she explores real life situations that caused her to seek guidance from her Lord and Savior, Jesus Christ. Her hope is that all who read the book will be inspired to trust in the Lord.

Dr. Hardy now serves as the Program Director of the JTC Life Changing Center, Inc. of Newport News, Virginia, where over 2000 people are serviced monthly. She focuses on addressing the needs of those who require parenting skills, anger management and job prep skills. One of the programs that she recently implemented is *"The Way to Happiness,"* which addresses moral standards and integrity.

She is married to Reverend Clinton E. Hardy and they have one son Emanuel. They reside in Hampton, Virginia. She is a member of Antioch Baptist Church, Newport News, VA where the Reverend William O. Greene, II is Pastor.

(Sung to the tune of “Blessed Assurance”)

Blessed with His goodness, blessed with His love.
Blessed with His showers that come from above.
Blessed with His sunshine, blessed with His air,
I'll go on helping everywhere.

God gives the courage, faith leads the way,
Onward we travel happy and gay-
Thinking of others, willing to share,
Taking God's message everywhere.

Re-mem-bering others, whenever I pray,
Looking to Jesus, He is the way.
Onward I travel; He's by my side.
I'll never falter, He is my guide.

CHORUS

This is my Mission; this is my prayer,
Helping the needy everywhere.
This is my Mission; this is my prayer.
Helping the needy everywhere.

ACKNOWLEDGEMENTS

The Lebanon Virginia Baptist Association and Allied Bodies would like to extend a special thanks to our speakers, facilitators, teachers, helpers, technical and logistical support, attendees, and ALL other persons who helped to make this 127th Annual Session a successful and meaningful occasion.

To our host, Dr. Daniel L. Baltimore and the Mt. Nebo Baptist Church Family, we are truly grateful for all that you have done for the Association and are still doing for us. Your kindness and generosity is a shining example of what we can do when we come together in “unity.” You have made every effort to meet our every need and you have gone beyond our greatest expectations. We thank you and we thank God for you.

We would be re-missed if we did not thank the churches who hosted our Fall, Winter, and Spring Sessions. To Dr. Douglas Adams, and the Jerusalem Baptist Church Family, Rev. Gregory Spurlock and the Lebanon Baptist Church Family, Dr. Robert Elliott and the Morning Star Baptist Church Family, and the Moderator’s Church Family, the Poplar Lawn Baptist Church, we express our thanks and heartfelt appreciation. Lastly, we would like to thank Dr. Melvin T. Blackwell and the Little Zion Baptist Church Family for hosting the Missions Seminar this year. To ALL others who support us during the year, we say thanks to you, as well. May God continue to bless you!

JULY 2009- JUNE 2010

ORDINATION AND RECOGNITION OF ORDINATION IN LEBANON VIRGINIA BAPTIST ASSOCIATION CHURCHES

Introduction: We recognize and celebrate the autonomy and diversity of our member congregations which make up our Association and Allied Bodies. We bring together differing styles and patterns of worship through which God has worked. In bringing these together we affirm our autonomy and diversity, even as we seek to work together in mutual ministry for Christ. While Ordination grows out of our need to extend ministry and service beyond the local church, this mutual ministry calls for a process of affirmation and recognition of ordination by the congregations which make up the churches of the Lebanon Virginia Baptist Association and Allied Bodies.

THE ORDINATION PROCESS: A congregation desiring an ordination to be recognized in L VBA is encouraged to follow these guidelines and procedures. L VBA affirms the autonomy of all the local congregations which make up the Association and Allied Bodies.

- 1 The congregation desiring ordination for a candidate, should contact the Moderator via written communication to start the process of ordination.
- 2 The Moderator should contact the President of the Division of Clergy, who shall contact the local congregation and the candidate to clarify and facilitate the process.
- 3 The Division of Clergy along with the candidate's pastor shall call for an Ordination Council and recommend to the local congregation that an Ordination Council be called informing the congregation of those steps to be taken before calling an Ordination Council. The Council shall review the candidate's background in the following areas:
 - a Christian Character and the Lordship of Christ as evidenced in Christian Ministry
 - b Understanding of the Purpose of the Church and its Ministry
 - c Call to the Christian Ministry
 - d Readiness to meet with an Ordination Council, reviewing the Statement of Faith
- 4 The Candidate shall prepare a "Statement of Faith" for the Ordination Council. It shall include a comprehensive understanding of Christian doctrine and practice, including an understanding of God, Christ and the Holy Ghost; the purpose and place of the Church in today's world; an understanding of the ordinances as practiced by the congregations of L VBA, personal commitment to the ministry and the relationship of the local congregation to the Association and Allied Bodies; and the role of the minister / pastor.
- 5 The local congregation in cooperation with the Division of Clergy shall invite every Church in the Association to send both clergy and laity to form the Ordination Council. Where appropriate, the catechizer should be agreed upon by the Candidate's Pastor and the local congregation. The Statement of Faith shall be presented to the Ordination Council.

RECOGNITION OF ORDINATION OTHER THAN LVBA

1. A congregation desiring the recognition of the ordination of an individual coming from a tradition other than the LVBA shall first contact the Moderator via written communication.
2. The congregation will proceed to call an Ordination Council. Included among those invited will be all LVBA member congregations.
3. On the day of the Ordination Council there must be at least four ordained LVBA clergy. Those attending the Council will question the candidate on the issues of faith and ministry with a special emphasis on issues relating to ministry with the LVBA (address in f the issues of ethnic inclusion, ecumenical witness, women in ministry and the relationship of the local congregation to the Lebanon Virginia Baptist Association.)
4. A clerk's report of the attendance and action of the Ordination Council will be sent to the local congregation and moderator. The LVBA will formally recognize the ordination.
5. The LVBA will formally recognize the ordination.

LEBANON VIRGINIA BAPTIST ASSOCIATION AND ALLIED BODIES

**THE LEBANON VIRGINIA BAPTIST ASSOCIATION
AND ALLIED BODIES
REVISED COMMITTEE TRAINING MANUAL**

FOREWORD

The work of the Lebanon Virginia Baptist Association is contingent upon the smooth and methodical workings of the committee, which has been established. This manual has been prepared to provide each committee with its purpose, method of operation and its responsibilities to the Association.

We have attempted to provide the basic framework for each committee, bearing in mind that all items have been completely detailed and that each committee may find the need to make minor adjustments as they meet and work.

Each committee is responsible for making an annual report to the Association and some committees may be required to make additional reports during the year to the Executive Council. Deadlines for each report will be established so that the report may be printed in advance of a scheduled meeting or function and then made available at that meeting for our members and delegates. We thank you for your prayerful and cheerful cooperation as we work together.

CIVIC COMMITTEE

The Civic Committee has the responsibility of researching the concerns of the citizens in communities of member churches. In turn, the Civic Committee is to make recommendations to the Association what action should be taken.

- 1) The committee will function throughout the year and will hold meetings according to its own calendar.
- 2) Areas of special concern include:
 - a) Voter registration
 - b) Racial, gender and age discrimination
 - c) Educational issues, etc.
- 3) The committee will make a report at the Annual Session as to its specific activities.

CONDOLENCE COMMITTEE

The Condolence Committee is to make record of and report to the Association the names, addresses and the name of churches of members who die within the reporting period (each of the four meetings of the Association).

- 1) The committee will function throughout the year.
- 2) The committee will establish and maintain contact with specific individuals of member churches in the Association.

HOSPITALITY COMMITTEE

The Hospitality Committee will work with an ad hoc committee established by the church which hosts a meeting or function of the Association. The responsibilities include:

- 1) Making provisions for meals, parking, and directing of guests throughout the church building.
- 2) Any additional needs or services to be performed by this committee will be requested through the Pastor of the host church.
- 3) The Association through this committee will extend its formal thanks to the host church at the end of the meeting or function.

NEW BODIES COMMITTEE

The New Bodies Committee will serve as the instrument through which perspective churches will become familiar with the Lebanon Virginia Baptist Association and Allied Bodies. When perspective churches are presented, the New Bodies Committee will hold

dialogue with the candidate congregation to inform them of the atmosphere of fellowship found in the Lebanon Association rules and regulations, expectations, etc. The New Bodies Committee, after the dialogue, will make recommendations pertaining to the perspective congregation at the Annual Session.

The New Bodies Committee will actively solicit the involvement of Baptist Churches which have no affiliation with any Association.

The New Bodies Committee will maintain accurate records of meetings and this report will also be made at the Annual Session.
