MODERATOR'S MESSAGE

As Moderator of the Lebanon Virginia Baptist Association and Allied Bodies, it gives me great pleasure to welcome you to the 130th Annual Session of the Lebanon Virginia Baptist Association and Allied Bodies.

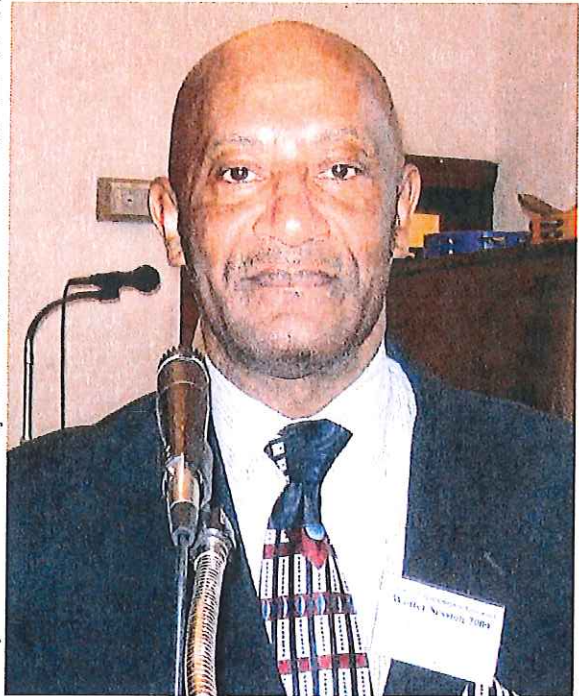

This year brings an end to a wonderful two terms, totaling four years of working with the greatest staff of executive officers, committees, pastors, churches, and members that I could've ever imagined. Let me say that *"I am indebted to all of you for your outstanding support."*

To the Poplar Lawn Church Family, *"I am again thankful to God for you. You have allowed me the freedom of operation in these four years of physical responsibility by bearing some of the financial expenses of the Association."* These past four years have also brought me to give thanks to two Hospitality presidents at Poplar Lawn, Ms. Delores Holloway, the past president, and Mrs. Geraldine Blount, the current president, along with the many co-laborers who have worked with them to serve breakfast at our Saturday Planning Sessions. *"I can not thank you enough for your time and dedication."*

To my co-laborer brothers in the Lord and the churches they pastor, I want to say, *"Thank you for the appropriation dollars above and beyond, and your extra support of the Bolden Bradby Scholarship Fund."* To our host pastor, Rev. Dr. Daniel L. Baltimore and the Mt. Nebo church family, *"Many thanks to you, as well. Your leadership and generosity has made it possible for the Association to maintain the present level of scholarships awarded to our high school graduates who enroll in college and meet our criteria for scholarship eligibility."*

In closing, words cannot express my gratitude to my Executive Secretary, Mrs. Perlene P. Montgomery. *"For every sacrifice that you have made these past four years for the Moderator and the Association, I express my sincerest thanks."* To the Association, *"My thanks to you for allowing me to serve as your Moderator."*

Yours in Christ,
Bruce E. Childs

**LEBANON VIRGINIA BAPTIST ASSOCIATION
AND ALLIED BODIES
FALL PLANNING SESSION
Saturday, September 15, 2012
Poplar Lawn Baptist Church – Surry, Virginia**

DEVOTIONS

Moderator Childs called the meeting to order at 9:45 a.m. Scripture was taken from Psalm 150 followed by prayer from the Moderator.

AGENDA: Moderator Childs presented the agenda. There were no questions or additions at this time, however Moderator Childs stated that we will be flexible if needed.

PAST BUSINESS

Critique of 129th Annual Session – July 10-12, 2012

The following comments were made in critiquing the Annual Session: The concert and the sermon were both very well received, dinner was excellent. The Bible Bowl went well and was greatly improved from last year. It was stated that there was not enough time to study of the Bible Bowl contest. Moderator Childs expressed his gratitude to Pastor Baltimore and the Mt. Nebo Baptist Church. He stated that everything was well organized. He thanked Rev. Robert Palmer for the beautiful certificates that he prepared and framed.

PRESENT BUSINESS

Committee(s) Reports

Treasurer's Report

The reported balance in the checking account is \$37,995.06

The reported balance in the savings account is \$15,313.08

Appropriations (Amount to be updated)	1,130.00
Banquet Tickets	2,710.00
Scholarship Fund (\$225.00 plus offering)	2,285.00
Deacons & Ministers Relief Fund	665.00
Daily Offering (Annual Session)	1,106.31
 Total Income	 18,086.31
Total Expenses	4,153.95

Per Sis. Angelia Cosby, this amount will change. Other monies have been received since the Annual Session, however, a complete report is not available today.

Bolden Bradby Scholarship Report

No report for the Bolden Bradby Scholarship Fund is available today. Because the Bolden Bradby Scholarship Committee is not a fundraising committee, the Association will continue to ask each

member church to contribute \$225.00 toward the fund. We are thankful to our host pastor, Dr. Baltimore and the Mt. Nebo Baptist Church for their support in this endeavor.

It was suggested that we should ask former scholarship recipients to come back to the Annual Sessions and report what they have been able to accomplish with the help of the Bolden Bradby scholarship dollars. It was also suggested that some of these students could come back and facilitate a workshop for the Association.

Ad Hoc Committee Report

The Ad Hoc Committee asked that: (1) the new request for information forms in the back of the 2012 Annual Journal be completed and submitted to the Executive Secretary so that this information can be available when needed by the Association (2) Asked that the Proposal to delete the Public Relations Committee be dismissed; that we find out who the Committee persons are because there is work for them to do. This will take some of the workload off the Executive Secretary, who according to the Training Manual, is the Chairperson of the Public Relations Committee.

Budget

Moderator Childs stated that we are still operating under the same budget from three (3) years ago. He stated that he cut his own stipend by \$300.00, later finding out that there are lot of expenses that the Moderator has (e.g. meetings, funerals, etc) that he had not taken into consideration.

Discussion/Presentation of Proposed LVBA Website

Dea. Carl Smith was tasked by Rev. Spurlock, the past Moderator, with spearheading a website for the Association. Dea. Smith gave a brief presentation on what would be on the website and presented a contract with various cost options. Two meetings will be planned with the delegates to vote on this proposal. It was suggested that the website would be a great cost savings with information on-line being more accessible and more cost effective than having to print a hundred or more journals.

FUTURE BUSINESS

Fall Session

The Fall Session will be held on Saturday, October 13, 2012 at 8:00 a.m. The place is to be determined. The Division of Youth is in charge of this session. The seminar planned for the adults is "*Insurance Does Matter.*" The seminar planned for the Teens is "*Calling All Teens.*" The seminar planned for the younger youths is "*How Safe Are Our Children?*"

Upcoming Delegate Meeting

Moderator Childs will schedule a meeting after the Fall Session for the Executives and the Delegates to vote on the Ad Hoc proposals for the Training Manual. The date will be announced at the Fall Session and also included in a letter.

EDIFICATION AND MINISTRY SHARING FOR THE GOOD OF THE ASSOCIATION

Dr. Douglas Adams, 2nd Vice Moderator, asked the Poplar Lawn Hospitality persons to come into the meeting. He thanked them for the delicious breakfast they prepared. He then presented them with the love offering that had been collected from the members for them.

ADJOURNMENT/BENEDICTION

BONDING OF OFFICERS

It was suggested that the following positions be bonded: Finance Chairperson, Financial Secretary, and Treasurer. It was also suggested that an audit take place after the Annual Session and when or before a new incoming Moderator takes office, or at least once every four (4) years.

There is no readily available information on when the last audit was done or who performed it. It was suggested that we ask Bro. It was suggested that our bank accounts be reconciled by someone else other than and in addition to the Treasurer.

It was suggested that the primary contact for bonding issues should be the Moderator at his church address.

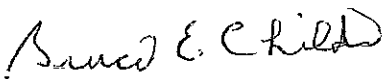

OTHER

SPRING PLANNING SESSION
Saturday, February 16, 2013
Poplar Lawn Baptist Church – Surry, Virginia**

DEVOTIONS

Moderator Dr. Bruce Childs opened the meeting at 10:03 a.m. with scriptural reading of Psalm 34:1-8 followed by prayer.

AGENDA

Moderator Childs went over the agenda for the meeting.

PAST BUSINESS

Review Winter Session

The overall comments was that the session was very good and very informative. Much information was shared on identity thief and what to do to protect yourself from becoming a victim and what to do if you should become a victim. The Youth Division and the Christian Ed Division presidents were disappointed with the youth attendance for the workshop that was planned for them.

PRESENT BUSINESS

Committee(s) Report

The Registration Committee revised the Registration Report to be more clear and concise. The new form was approved for future use.

The New Bodies Committee President, Sis. Sarah Flood, is not present at today's meeting due to illness, however, she sent a message that she has been trying to work with the Olive Branch Baptist Church of Suffolk. One of their Administrative staff expressed an interest in membership for Olive Branch, however, Sis. Flood has not heard back from the pastor.

It was noted that the LVBA Constitution - Article II - Membership (b) states that Ministers and Laymen may join the Association (without being a "church") by paying a joining fee. A discussion was held on the vagueness of this statement and the pros, cons, or consequences that could arise from its vagueness.

Bolden Bradby Scholarship Report

Sis. Janice Dobbs reported that five (5) applicants qualified for the Bolden Bradby Scholarship, but so far only three (3) have requested the stipend. The report that she gave was received as read.

Deacons and Ministers Relief Report

Sis. Angelia Cosby reported that \$150.00 was paid to Dea. Albert Elliott's widow from the Deacons & Ministers Relief Fund. Dea. Elliott, who was President of this Committee, passed in December

2012 after a lengthy illness. His death has left a void in our Association. No other available reporting was given for this committee today, due to Bro. Raymond Parson's absence. Bro. Parson has been functioning in dual capacities, as Treasurer and as President.

Treasurer's Report

Sis. Angelia Cosby reported as follows:

Total Expenses = \$10,578

Checking Account Balance = \$ 33,178.16

Money Market (Non-Profit) = 15,323.38

It was noted that for "Catechism" pay, if a member of the LVBA Church goes outside of the Association to be catechized, the Association is not to pay a stipend, or any other associated fees or expenses.

It was also noted that no bill has been received from Dr. Baltimore and the Mt. Nebo Baptist Church for the Annual Session banquet.

Website for the LVBA

There was no record or recollection of voting on the Website Proposal during the Winter Planning Session with the delegates in November 2012. We will have the delegates ready to vote on the website at our Spring Session. This note will be included in the Spring Session letters to the churches, along with a flyer to be announced and posted.

FUTURE BUSINESS

Spring Session

The Division of Clergy and the Division of Laymen will present the Spring Session. This session will be held on Saturday, April 13, 2013 at 8:00 a.m. at the Morning Star Baptist Church in Spring Grove, where the Reverend Dr. Robert Elliott is pastor. Dea. Joseph Anderson of the Division of Laymen, will communicate the proposed agenda with the Executive Secretary in the upcoming days once he and Dr. Baltimore of the Division of Clergy have had a chance to finalize their plans..

Missions Division

No report given today for the Mission Division. The Division President, Sis. Lillie White had to leave early because she was not feeling well.

Bonding

Dea. Carl Smith reported that Bro. Theodore Lunsford declined the offer to become the LVBA Auditor. Bro. Tim Edwards, owner of Edward's Tax Service in Smithfield has accepted the offer. The Association will be bonding its three (3) financial officers, Dea. Carl Smith, Sis. Angelia Cosby, and Sis. Mary Boothe-Jones.

EDIFICATION AND MINISTRY SHARING FOR THE GOOD OF THE ASSOCIATION

1st Vice Moderator, Rev. Dr. Eldridge Lucas III reported that two (2) of his flock, Dea. Barbara Parker and Dea. Sylvia Flood have reported their "call" into the ministry of preaching. Dea. Flood will be licensed on the fourth (4th) Sunday in May and Dea. Parker will be licensed on the fourth (4th) Sunday in June.

DEVOTIONS

Moderator Dr. Bruce Childs opened the meeting at 10:00 a.m. with scriptural reading from Ephesians 4 followed by prayer.

AGENDA

Moderator Childs went over the agenda for the meeting.

PAST BUSINESS

Review Spring Session (Division of Laymen and Division of Clergy)

An overall good report was given for all aspects of the Spring Session chaired by the Division of Laymen (Dea. Joseph Anderson) and the Division of Clergy (Dr. Daniel Baltimore). The youth facilitators, twins Brittany and Whitney Johnson, did an excellent job talking to the youth and relating to them. Whitney and Brittany are outstanding college students. The adult facilitator, Sis. Judy Anderson, did an excellent job with the information she delivered on the importance of early detection of colon cancer and the importance of colonoscopy screening. The younger youth facilitator, Sis. Jennie Stevenson, showed her class how to make edible rag doll salads using mostly healthy items (lettuce, tomatoes, baby carrots (and shredded), black olives, pimentos, peppercorn, mayo, and chicken salad. This was a real hit with the children.

Mission Outing

It was noted that this was a very good trip with about 50 people attending. The following churches participated: Sandy Mt., Main St., Mt. Nebo, Morning Star, Mt. Sinai, Poplar Lawn, and Emmanuel. Members who did not drive their own vehicles, were transported by church bus and van.

Election of Pastor at Lebanon Baptist Church

The Reverend Terrence Davis, Sr. was elected as pastor of the Lebanon Baptist Church by about 85 percent votes. He will be installed on June 1, 2013 at 3:00 p.m., at which time he will be welcomed into the Lebanon Virginia Baptist Association and Allied Bodies.

Registration Committee

Sis. Angela Williams will ask attendees to sign in each night so that she can have an accurate count for the 3 days of the Annual Session.

Time and Place Committee

Dea. Pastor Baltimore and the Mt. Nebo Baptist Church have hosted the Annual Session for the last 4 years, but stated that he would not be offended if it is held somewhere else.

Bolden Bradby Scholarship Committee

Sis. Janice Dobbs stated that out of 5 applicants, only 4 requested the scholarship award for 2012-2013. It was noted that the 5th applicant would not be requesting the award. Bro. Adarian Johnson of First Gravel Hill submitted a very nice thank you card to the Association for the award that he received. Sis. Dobbs stated that she has received 16 applications (9 churches) for the 2013-2014 school term. Moderator Childs stated that the Association may have to look some other issues regarding the Bolden Brady Scholarship Fund and how it is structured. He stated that we will look at the cost of banquet tickets to see if we need to increase the cost in order to help meet our committee to the scholarship awards.

Treasurer's Report

Sis. Angelia Cosby gave the following report:

***NOTE:** *The Nominating Committee will take care of getting candidates for these offices and voting on them at the Annual Session before the installation service.*

The Banquet and Awards Committee was removed per recommendation from the Ad Hoc Committee and approval from the Delegates. Sis. Joyce Hendrick asked that she be removed from the office of Assistant Recording Secretary. It was suggested that Dea. George Fauntleroy might be a good candidate to fill the vacancy of the Assistant Musician position. Dea. Raymond Parson, in an earlier meeting stated that if possible, he would like to be replaced as Acting Chairman of the Deacons and Ministers' Relief Committee. At the present time, he is serving in 2 capacities (Acting Chairman and Secretary). Per the Nominating Committee list, he has agreed to be the nominee for Chairman. Since Dea. Parson will vacate his office as Secretary, there will be a need for a new Secretary for this Committee. Per Angelia Cosby, the position of Treasurer for the Deacons and Ministers Relief is not necessary, since she, as Treasurer for the Association, is handling these funds, as well. It was properly motioned and seconded that we accept the proposed slate of officers as presented by the Nominating Committee, with these exceptions.

Moderator Childs stated that coming into office as the Moderator, he cut the Moderator's stipend by \$400 for the year, not realizing the vast expenditures of the position. He suggested that the stipend should go back to the previous amount of \$1,000 and budgeted as such. This will be voted on at the Annual Session.

**ALWAYS SLIDE THE SEAT
BACK - AND SIT BACK!
BUCKLE EVERYONE!
CHILDREN IN BACK!**

Air bags and seat belts save lives. But they are designed to work together. Everyone should be buckled and children should be properly restrained in the back seat. Remember, the most important safety step in any vehicle is to buckle your seat belt - on every ride.

Children riding in the front seat can be seriously injured or killed when an air bag comes out in a crash. Crashes are violent and fast. So to protect you, an air bag comes out of the dashboard in the blink of an eye with great force. It can hurt those who are too close to it, particularly those unbelted.

Prevent serious injuries by following the critical safety points on the back.

Safety Points

- ◆ Children 12 and under should ride properly restrained in a rear seat.
- ◆ Infants should NEVER ride in the front seat of a vehicle with a passenger side air bag.
- ◆ Small children should ride in a rear seat in child safety seats approved for their age and size.
- ◆ Check your vehicle owner's manual and the instructions provided with your child safety seat for correct use information.
- ◆ Everyone should buckle both lap AND shoulder belts where available.
- ◆ Drivers should sit at least 10 inches from the center of the steering wheel to their breastbone for the clearest margin of safety.

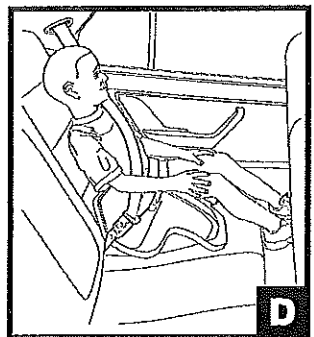

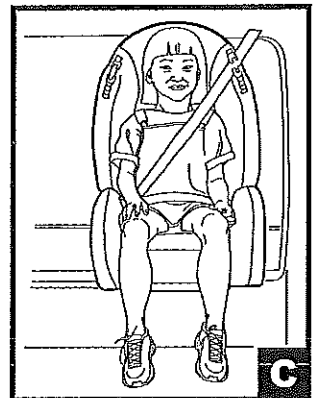

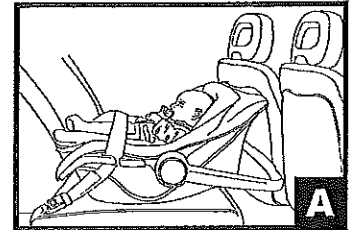

Since research shows driver belt use determines child belt use, strengthening enforcement of seat belt laws nationwide will get more children and adults buckled up.

TRAVELING SAFELY WITH CHILDREN: THE BASICS

- Everybody needs a child safety seat, booster seat, or safety belt!
- There must be one safety belt for each person. Buckling two people, even children, into one belt could injure both.
- People who are not buckled up can be thrown from the car or around inside the car, and seriously hurt themselves or others.
- **Never** hold a child on your lap! You could crush him/her in a crash, or the child may be torn from your arms.
- **Never** ride in the cargo area of a station wagon, van, or pickup! Anyone riding in the cargo area could be thrown out and severely injured or killed.
- No one seat is 'best', The 'best' child safety seat is the one that fits your child and can be installed correctly.
- Children age 12 and under should ride properly restrained in back.

CHOOSING AND USING THE CORRECT SEAT

New child safety seats and booster seats come with registration cards. Be sure to register your new seat so you will be notified if there is a recall. If you don't have a card, call the safety seat manufacturer.

AGE: Birth to 1 year

WEIGHT: Up to 35 pounds

TYPE OF SEAT: Infant-only (A) or Rear-facing Convertible (B)

DIRECTION TO FACE: Infants should ride rear-facing to at least 1 year of age **AND** at least 20 pounds, longer if possible. The seat should be at a 30-45 degree angle to keep the child's head from falling forward. Do not tip it too far back or the child could come out of the seat in a crash.

NOTE: Infants who outgrow a smaller infant-only seat before 1 year of age should ride rear-facing in a child safety seat with a higher rear-facing weight limit (over 22 pounds).

AGE: Over 1 year to 4 years old

WEIGHT: Over 20 pounds, up to 40 pounds

TYPE OF SEAT: Convertible or Forward-Facing Only seat

DIRECTION TO FACE: A child over 1 year of age **AND** over 20 pounds may ride facing forward. Use the upright position or the position recommended by the manufacturer.

NOTE: Keep the child in a child safety seat with a full harness as long as possible, preferably until 4 years old. For children 40 pounds or more who are too young or too active to sit still in a booster seat, or if a vehicle has only lap belts, look for child restraints with harnesses labeled for use over 40 pounds.

AGE: 4 to 8 years old

WEIGHT: Over 40 pounds

TYPE OF SEAT: Belt-positioning Booster Seat, backless (D) or high-back (C)

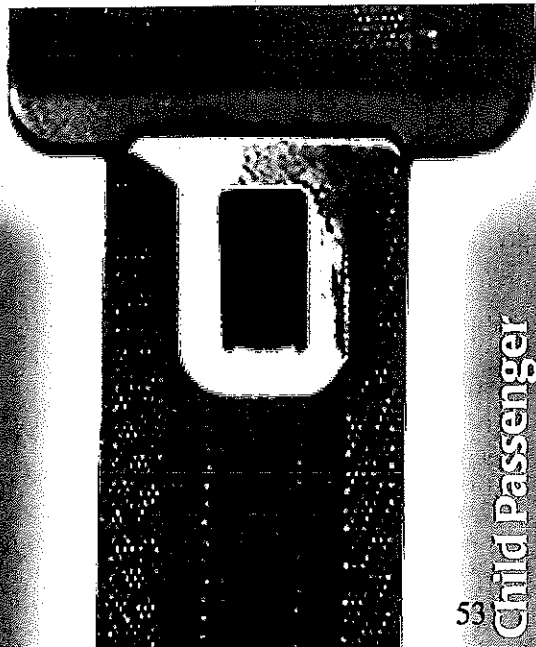

DIRECTION TO FACE: Forward-Facing

NOTE: All children who have outgrown child safety seats should be properly restrained in booster seats until they are at least 8 years old, unless they are 4' 9" tall.

WARNING: The back seat is the safest place in a crash. Children age 12 and under should ride properly restrained in back. Infants riding rear-facing must **NEVER** be placed in front of an airbag.

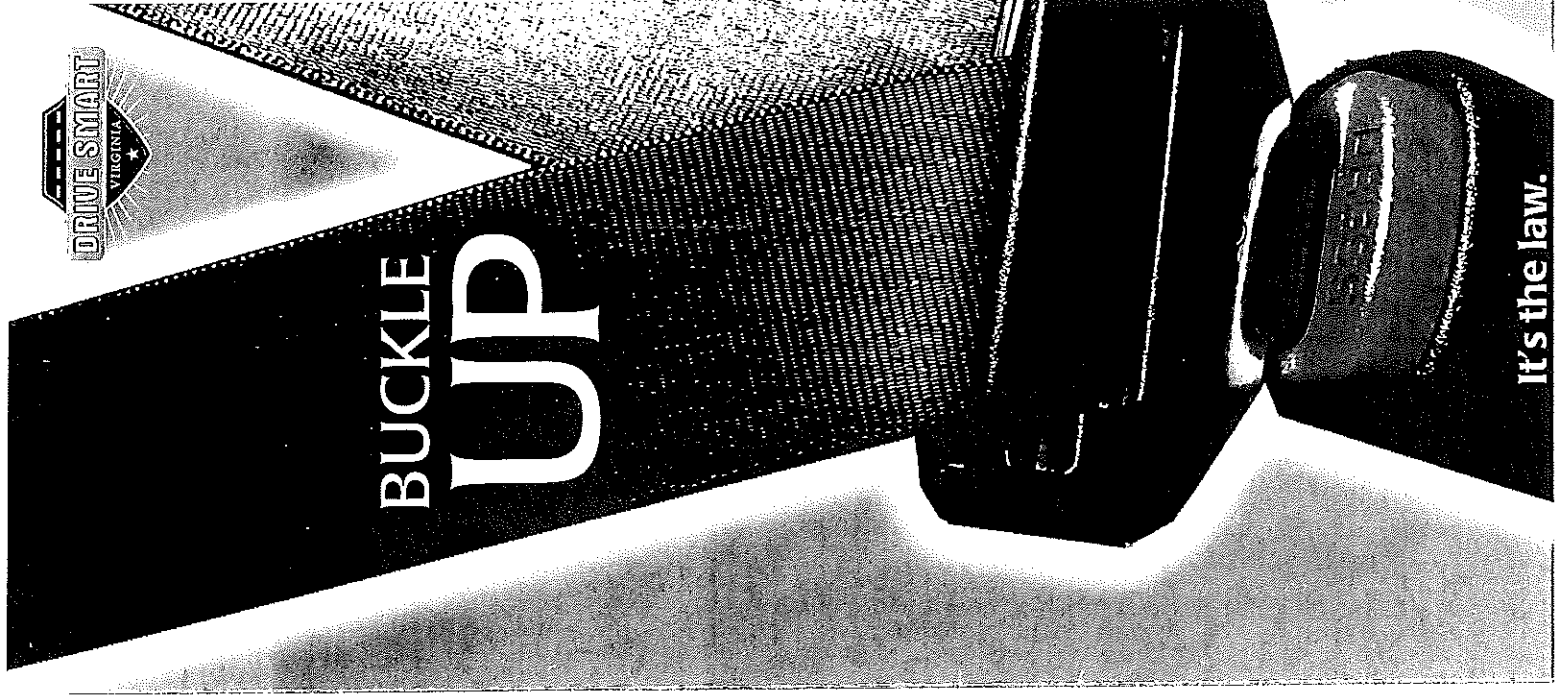

Adult Seat Belt Laws

Anyone in the front seat of a motor vehicle must wear the appropriate safety belt system at all times while the vehicle is in motion on any public roadway. A \$25 civil penalty will be imposed for non-compliance.

Child Passenger Safety Laws

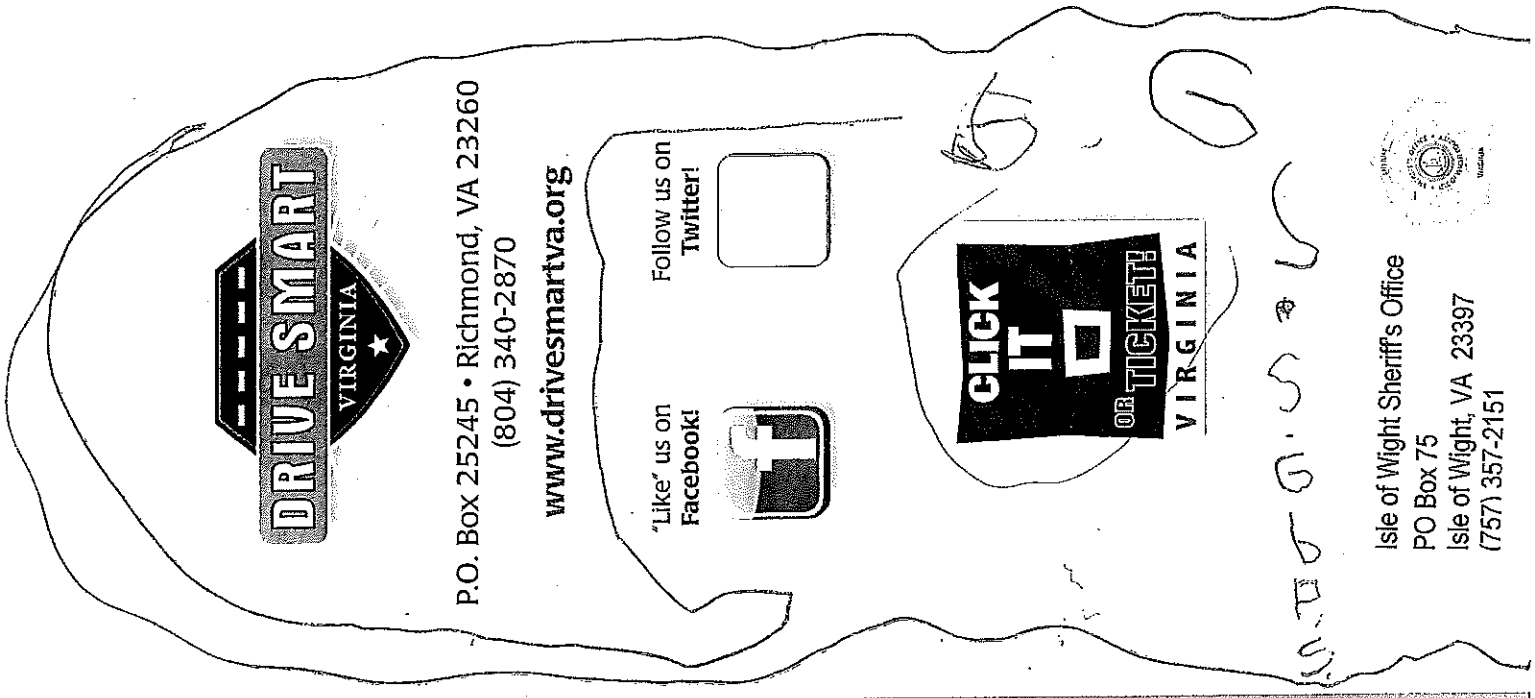

Drivers of motor vehicles manufactured after January 1, 1968, must have children age 18 and under properly secured in an appropriate safety restraint system (safety seat, booster seat or seat belt) that meets U.S. DOT standards. This requirement applies to any car, any driver and all seating positions. Child restraint devices are required for children up to the age of eight, unless a medical exemption is provided. Rear-facing child restraint devices shall be placed in the back seat of a vehicle. In the event the vehicle does not have a back seat, the child restraint device may be placed in the front passenger seat, only if the vehicle is either not equipped with a passenger side airbag or the passenger side airbag has been deactivated. A \$50 civil penalty will be imposed for non-compliance.

What the Activity Is
Click It or Ticket
Virginia?

Click It or Ticket is a national program that combines aggressive law enforcement and public information media to increase seat belt use rates across the country—including Virginia. Each year, nearly 50% of motor vehicle fatalities are unrestrained. By increasing the use of seat belts, the rate of serious injury and death will go down and more lives will be "saved by the belt".

Airbags are designed to work in conjunction with a seat belt, not in place of them.

Seat belts prevent ejection from the vehicle. A person is four times more likely to die from being ejected than if seat belted in the car.

Most crashes causing death or injury occur at speeds below 40 miles per hour.

Seat belts save lives. When worn correctly, seat belts have proven to reduce the risk of fatal injury to front-seat passenger occupants by 45%, and by 60% in pickup trucks, SUV's and mini-vans.

During a crash, unrestrained occupants become missiles within the occupant compartment of the vehicle. Large children and adults can cause severe injury to other occupants, especially small children and infants.

Seat belts reduce injury severity. When worn correctly, seat belts reduce the risk of moderate-to-critical injury by 50 percent.

Three out of four fatal crashes occur within 25 miles of victims' homes. A quick trip down the road does not excuse safety belt use.

Despite some of the most advanced laws in the nation, children are still being killed in Virginia as a result of not being restrained properly in their safety seat, booster seat or seat belt. For more information on tips pertaining to children visit www.dmvnow.com/highwaysafety.

Studies show that men, particularly those between the ages of 18 and 34, are less likely to buckle up, especially at night. Motor vehicle crashes are the number one killer of this age group.

WILLS IN VIRGINIA

This narrative offers straightforward and basic answers to questions regarding wills under Virginia law. It explains the necessity of a will, the creation of a will, and how to make it legally binding.

Do I need a will?
What will happen if I don't have a will?
How do I make a will?

These are a few of the many questions that arise on the subject of wills. This narrative is designed to present simple and straightforward answers to commonly asked questions, and is not intended as a guide to preparing wills, or as a substitute for a consultation with a lawyer.

1. What is a will?

A will is a signed writing in which a person (often referred to as the "testator") directs what is to be done with his or her property after death. Each state has its own very specific laws as to what is necessary for a will to be valid in that state.

2. Who may make a will?

Any mentally competent person who is at least 18 years old may make a will. Later proof of fraud, duress, or undue influence by another person or the testator may cause the will to be invalid.

3. Who should have a will, and why?

Every mentally competent adult should have a will. Here are a few of the reasons:

- You can direct how you want your property divided upon your death.
- You can name the person you want to handle your estate (called the "executor" or "personal representative").
- You can reduce the expenses of administering your estate.
- You can save taxes.
- You can nominate a guardian for your minor children.
- You may provide for a trust for the support and education of your children without the necessity of costly court proceedings.

4. Must a will be witnessed? Must it be notarized?

In Virginia, the signing of a will must generally be witnessed by two competent persons, who also must sign the will in front of the testator. (An exception to the witness requirement is made if the testator writes out the entire will in his or her own handwriting, and signs and dates it.)

Although the law does not require a will to be notarized, it is a highly recommended practice, followed by most lawyers. If the testator's and witnesses' signatures have been notarized, the will is presumed to be properly executed and is accepted by the court without testimony from the witnesses.

5. How long is a will valid?

Your will is valid until you revoke it, generally either by physical destruction (tearing or burning it up, for example) or by signing a superseding will or written revocation. If you get divorced after signing a will, the law may consider the will partially revoked. If you are married, your spouse may have rights in your estate regardless of what is provided in your will.

6. May a will be changed?

Your will does not take effect until you die; therefore, it can be changed at any time during your life, as long as you are mentally competent. Traditionally, wills were changed by an amending instrument called a "codicil," but with the development of modern word processing technology, it is usually better and just as easy to sign an entirely new will when you wish to make a change.

7. What happens if you don't have a will?

If you don't have a will, a state statute directs who will receive your property, regardless of your wishes. In Virginia, if you are married, your estate generally passes entirely to your surviving spouse; however, if you have children who are not also the children of your spouse, your children divide two-thirds of your estate, and your spouse takes the other one-third.

8. Is joint ownership a substitute for a will?

In most cases, joint ownership is not an acceptable substitute for a will. Contrary to popular belief, joint ownership of assets between husband and wife often results in excessive estate taxes. Joint ownership between parent and child may foster disputes between family members and cause unexpected and unnecessary gift taxes.

9. Is a living trust a substitute for a will?

A funded revocable ("living") trust can be a valuable and important part of the estate plan for many people, but it does not eliminate the need for a will. If you have a living trust, you will still need a will to dispose of those assets that have not or cannot be placed in the trust. As useful as they are, living trusts are not appropriate for everyone. Only your lawyer can tell you if you should consider one, and only your lawyer should prepare it.

10. Who should draft your will?

A person who drafts a will must be familiar with the law in order to avoid the many pitfalls and to comply with the formalities necessary to assure the will's validity. Only a practicing lawyer is professionally qualified to give you advice regarding your will, to prepare your will, and to supervise its signing.

PRACTICAL SUGGESTIONS

Planning your financial affairs is a very personal and individual matter. You should decide for yourself the general purposes you wish to accomplish, then consult with your lawyer and any other advisors (accountant, financial planner, life insurance agent) to plan properly how to accomplish your goals.

Take these four practical steps to save time and help assure a sound result:

Inventory your assets. List in reasonable detail all of your property (real and personal) life insurance policies and retirement plans, with your best assessment of their values.

Inventory your liabilities. List all debts and obligations, including principal amounts, payees and essential terms.

List your family members and any other persons whom you wish to participate in your estate.

Determine who might be an appropriate executor, trustee, or guardian for your minor children.

Decide what you want to accomplish. Determine what your objectives are, and to whom you wish your assets distributed.

Then meet with your lawyer and other advisors to work out the details and prepare the necessary documents. Be sure to carry your working papers, list of assets and liabilities, and life insurance policies with you.

Living Wills & Advance Medical Directives

Recently in Virginia, one family's personal struggle to come to an agreement on the decision to remove artificial nutrition and fluids from a loved one in a persistent vegetative state focused attention on the need for health-decision planning. While it is often unpleasant to face the fact that you and your loved ones will not live forever and to discuss issues related to death, a little attention and planning now can go a long way towards preventing family misunderstandings and government involvement if you are ever unable to make health care decisions for yourself.

You have a right to make decisions about health care and the use of life-prolonging procedures, based upon your own beliefs and values, even if others disagree with you. Right now, while you are still capable of clearly expressing your wishes, is the time to make your desires known. No one can say what tomorrow will bring. *Don't you owe it to your loved ones to make a painful time a little less difficult?*

1. What is a Living Will?

A Living Will is a written document that authorizes the providing, withholding or withdrawal of life-prolonging procedures in the event you have a terminal condition. A terminal condition may mean either that your death is imminent, or that you are in a persistent vegetative state. In your Living Will, you can direct that specific procedures or treatments, such as artificially administered nutrition, be either provided or withheld. Some people want the determination that they have a terminal condition to be made by their attending doctor and one additional physician. Some people also wish for the condition to have lasted for a specified time period before treatment is withheld or withdrawn. You should be sure that your Living Will accurately reflects your wishes. Again, a Living Will can be written to reflect your preferences and directions; there is nothing to prescribe what you must or must not include in a Living Will.

2. What is an Advance Medical Directive?

An Advance Medical Directive is a document in which you (the "principal") give legal authority to another person (the "agent") to make some or all of your health care decisions for you in the event you become incapable of making those decisions for yourself. Thus, while you are competent, choices about health care remain up to you; your designated agent uses an Advance Medical Directive only when you become incapable of making your own decisions about health care and medical treatment. You can be very specific in your Advance Medical Directive. In your Advance Medical Directive, you can limit the agent's power to make decisions. You can include guidelines in your Advance Medical Directive, outlining what types of decisions your agent is authorized to make, such as consenting to, refusing or withdrawing treatment, choice of health care provider, or decisions regarding organ donation. You can change or end the power of your agent at any time, so long as you are still legally capable of making your own decisions. In other words, you can design an Advance Medical Directive to address your beliefs, and concerns, and preferences; there is no prescribed level of authority that you must grant your agent.

3. How do I choose someone to be my agent?

Deciding who will serve as your agent is very important. It should be an adult whom you trust completely and who knows your values, religious beliefs, and any other important concerns you have. Many people choose a spouse or an adult child. Be confident that the person you select will be able to think clearly on your behalf despite his or her personal feelings about the situation. It is a good idea to select a secondary agent to make decisions in the event your primary agent is unable or unwilling to do so. It is also a good idea to discuss your desire to designate a person as your agent with that person to ascertain if he or she is willing to accept this responsibility and to discuss the extent of the authority you intend to confer. Remember, you can change or terminate your agent at any time, so long as you are still legally competent.

4. What are the benefits of having a Living Will and/or Advance Medical Directive?

Times of medical need are inherently stressful. Preparing a Living Will and/or an Advance Medical Directive in advance reduces the chance of conflict among your family, friends and health care providers. If your wishes are clear, there is less chance of the courts or the government becoming involved in your private matters.

5. What are the differences between a Living Will and an Advance Medical Directory?

A Living Will is different from an Advance Medical Directive in that a Living Will does not appoint an agent. A Living Will also applies only to cases of terminal illness, whereas an Advance Medical Directive may apply any time you are unable to make an informed decision about your medical care.

6. How do I create a Living Will and/or Advance Medical Directive?

Your lawyer can prepare a Living Will and/or an Advance Medical Directive for you. You must sign the documents in the presence of two witnesses who are not your spouse or blood relatives. You do not need to have the documents notarized, though it is a common practice of most lawyers.

Durable General Powers of Attorney

Planning Ahead for Incapacity

Q: What is a Durable General Power of Attorney?

A Durable General Power of Attorney ("DGPA") is a document which allows you (the principal) to give authority to another person (your agent or "attorney-in-fact") to make financial and legal decisions and to make or enter into financial transactions on your behalf. A "Durable" power differs from a regular power of attorney because it remains effective even if the principal is mentally incompetent.

Q: Who can execute a Durable General Power of Attorney?

A person must be competent in order to execute a valid DGPA. If there is a question regarding competency, it is a good idea to get a doctor's letter or declaration regarding the competency of the principal at the time the document is executed.

Q: Who can serve as attorney-in-fact?

Any trusted person, such as a spouse, relative or friend, can serve as attorney-in-fact; it need not be an attorney. It is always a good idea to name at least one alternate attorney-in-fact to serve in the event that the first choice becomes disabled or dies. Your attorney-in-fact will have broad authority and it is critical that the person that you chose to serve in this capacity be completely trustworthy and sensitive to your wishes.

Q: What powers can I give to my attorney-in-fact?

You can give your attorney-in-fact as limited or as broad powers as you desire, including the powers to buy property, to invest, to contract, to engage in tax planning, to make gifts, and, very importantly, the power to plan for government benefits, such as SSI and Medicaid.

Q: What is a "springing" Durable General Power of Attorney?

Ordinarily, a DGPA is effective as of the day it is signed and executed. This means that even if you are competent to make your own decisions, your attorney-in-fact will also have the legal authority to act on your behalf and engage in financial transactions. A "springing power of attorney," on the other hand, becomes effective at a later date, usually when the principal (you) becomes mentally incompetent – it "springs" into effect at the point you lose capacity, as certified by a physician, or other designated individual.

Q: What are the advantages of a Durable General Power of Attorney?

A DGPA is a relatively easy, inexpensive mechanism for allowing another person to handle your legal and financial affairs. Unlike a joint tenancy bank account, which is often used by people as a management device in the event of incapacity, a Durable Power of Attorney does not give your attorney-in-fact legal access for his or her own use. Your attorney-in-fact must use your assets for your benefit.

Also unlike joint bank accounts, a Durable Power of Attorney allows for surrogate decision-making without disrupting your estate plan. When you create a joint tenancy bank account, you not only give your "joint tenant" access to your funds, but on your death, all of the funds in that account will automatically belong to and go to the joint tenant, by right of survivorship. Assets in a joint tenancy account are not subject to your Will. A Durable Power of Attorney, on the other hand, in no way affects the disposition of your assets upon your death and in fact, ceases to be effective when the principal dies.

A properly-drafted DGPA can give you the flexibility to plan for government benefits. For example, the attorney-in-fact can be given authority to transfer the principal residence to your spouse if you needed to be in a nursing home or required government assistance.

Q: What are the disadvantages of a Durable Power of Attorney?

The main disadvantage of a DGPA is that it is subject to abuse because there is no ongoing court supervision of the attorney-in-fact. Unlike guardianships, where an accounting is required to be submitted to the court, the attorney-in-fact's actions are not being supervised on an ongoing basis. If the attorney-in-fact abuses his or her authority and acts improperly, a court can step in and take action. However, in many cases the damage is already done and it is difficult to undo it. Thus, great care should be taken in selecting your attorney-in-fact.

Q: Do I need a lawyer to have a Durable Power of Attorney drafted?

There are advantages in having a lawyer draft a DGPA. First, an attorney-drafted DGPA can be drafted to meet your individual needs. Although there are pre-printed forms available, they are worded broadly and do not give you as much flexibility. Second, since DGPAs are subject to abuse, it is a good idea to meet with an attorney to make sure both the principal and attorney-in-fact understand the document and the attorney is assured of the principal's competency.

LONG TERM CARE INSURANCE FACT SHEET AND ACKNOWLEDGEMENT

2215 York Road, Suite 306, Oakbrook, IL 60523
Ph: 630.472.1300 or 800.261.1660
Fax: 630.472.1305 email: ifa@someonethatcares.com

Fact Sheet

No one likes to think about insurance or face the prospect of needing long-term health care; but starting around 2010, as the first of the post-war baby boom generation begins turning 65, the demand for Long-Term Care services is expected to rise dramatically.

Aging Population: The rapid rise of the senior population is expected to strain the resources of individuals, families, and government at all levels over the next 30 years. Long-Term Care insurance is gaining importance among baby boomers as an option to meet future health expenses not covered by traditional health insurance.

What does it Cover? Most major medical health insurance policies do not cover long-term care expenses, nor does Medicare or Medicare Supplement insurance. Long-term care insurance is about the only option that allows people to protect their assets and retain more control over their health-care decisions in these late-life situations. Those who do not have this preparation often have few alternatives but to spend down their assets until they qualify for Medicaid.

Activities of Daily Living: Traditional health insurance and Medicare cover acute care and certain preventative measures. Long-term care coverage, on the other hand, addresses Activities of Daily Living (ADL). Activities of Daily Living include bathing, controlling bladder and bowel functions, using the toilet, eating, and moving in and out of a chair or bed.

It is the inability to handle these once routine circumstances that afflicts people in different degrees as they age. But no one person's experience is identical to another's. Long-term care insurance is flexible. It is constructed to cover not just the costs of nursing home stays but a wide range of home health care, assisted living, and personal services. A good long-term care policy will meet your changing needs.

How Much Should You Pay? As you might expect, the cost of Long-Term Care insurance varies according to the amount of coverage you buy, the options selected, and-most of all- your age at the time of purchase. Premiums may also increase over time.

Long-term care insurance is not the right answer for everyone. It is very expensive for older buyers. Be sure you can afford it. You should look at all the options.

May be Right if:

- You have assets to protect
- You can afford the premium
- You're not currently disabled or seriously ill
- You're unable to pay out-of-pocket costs and won't qualify for Medicaid
- You want to ensure control over your assets
- You want to protect your family from providing your long term care

May NOT be Right if:

- You have few or no assets
- You're unable to afford the premium
- You're already disabled or seriously ill
- You're income/assets qualify you for Medicaid
- You have other insurance
- You're income/assets qualify you for Medicaid
- You have no surviving family or causes that you'd like to have receive your assets

Moderator’s Reflections Rev. Dr. Bruce E. Childs

Benediction Rev. Dr. Bruce E. Childs

Identity theft is a serious crime. It occurs when your personal information is stolen and used without your knowledge to commit fraud or other crimes. Identity theft can cost you time and money. It can destroy your credit and ruin your good name.

Deter identity thieves by safeguarding your information.

- **Shred** financial documents and paperwork with personal information before you discard them.
- **Protect** your Social Security number. Don't carry your Social Security card in your wallet or write your Social Security number on a check. Give it out only if absolutely necessary or ask to use another identifier.
- **Don't give out** personal information on the phone, through the mail, or over the Internet unless you know who you are dealing with.
- **Never click** on links sent in unsolicited emails; instead, type in a web address you know. Use firewalls, anti-spyware, and anti-virus software to protect your home computer; keep them up-to-date. Visit GuardOnline.gov for more information.

- **Don't use** an obvious password like your birth date, your mother's maiden name, or the last four digits of your Social Security number.
- **Keep** your personal information in a secure place at home, especially if you have roommates, employ outside help, or are having work done in your house.

Detect suspicious activity by routinely monitoring your financial accounts and billing statements.

Be alert to signs that require immediate attention:

- Bills that do not arrive as expected
- Unexpected credit cards or account statements
- Denials of credit for no apparent reason
- Calls or letters about purchases you did not make

Inspect:

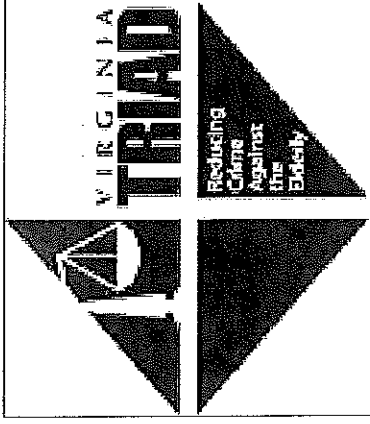

- **Your credit report.** Credit reports contain information about you, including what accounts you have and your bill paying history.
 - The law requires the major nationwide consumer reporting companies—Equifax, Experian, and TransUnion—to give you a free copy of your credit report each year if you ask for it.
 - Visit www.AnnualCreditReport.com or call 1-877-322-8228, a service created by these three companies, to order your free credit reports each year. You also can write: Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348-5281.
- **Your financial statements.** Review financial accounts and billing statements regularly, looking for charges you did not make.

Defend against ID theft as soon as you suspect it.

- **Place a "Fraud Alert" on your credit reports, and review the reports carefully.** The alert tells creditors to follow certain procedures before they open new accounts in your name or make changes to your existing accounts. The three nationwide consumer reporting companies have toll-free numbers for placing an initial 90-day fraud alert; a call to one company is sufficient:
 - **Equifax:** 1-800-525-6285
 - **Experian:** 1-888-EXPERIAN (397-3742)
 - **TransUnion:** 1-800-680-7289

Placing a fraud alert entitles you to free copies of your credit reports. Look for inquiries from companies you haven't contacted, accounts you didn't open, and debts on your accounts that you can't explain.

- **Close accounts.** Close any accounts that have been tampered with or established fraudulently.
 - Call the security or fraud departments of each company where an account was opened or changed without your okay. Follow up in writing, with copies of supporting documents.
 - Use the ID Theft Affidavit at ftc.gov/idtheft to support your written statement.
 - Ask for verification that the disputed account has been closed and the fraudulent debts discharged.
 - Keep copies of documents and records of your conversations about the theft.
- **File a police report.** File a report with law enforcement officials to help you with creditors who may want proof of the crime.
- **Report the theft to the Federal Trade Commission.** Your report helps law enforcement officials across the country in their investigations.
 - Online: ftc.gov/idtheft
 - By phone: 1-877-ID-THEFT (438-4338) or TTY, 1-866-653-4261
 - By mail: Identify Theft Clearinghouse, Federal Trade Commission, Washington, DC 20580

DIVISION OF MISSIONS PRESIDENT'S MESSAGE

“MAXIMIZING THE IMPACT: Understanding our Mission”

“For the Son of Man has come to seek and save those who are lost”

(Luke 19:10 – NIV)

“Make the most of your chances to tell others the ‘Good News’. Be wise in all your contacts with them.” (Colossians 4:5 LB).

As missionaries maximizing the impact of our missions, we must make the most of our chances to tell others the “Good News” and be wise in all of our contacts. We must be able to help them solve their problems to our greatest potential, always seeking God to guide us in the right directions. We can accomplish our mission by using the talents that God has given us to serve others in their needs. As we maximize our mission to meet their needs, we most certainly will

be making a lasting impact that will help those who were once lost, maximize their potential in life.

“My life is worth nothing unless I use it for doing the work assigned by the Lord Jesus—the work of telling others the ‘Good News’ about God’s wonderful kindness and love.”

In order to solve the problems effectively that one might have, we must make a difference in the lives of those in need—whether it be feeding the hungry, visiting the sick or those in prison, clothing the naked, giving water to the thirsty, or sharing His Holy Word.

Whenever we feel apathetic about our mission in the world, think of what Jesus said in Luke 19:10, “For the Son of Man has come to seek and to save those who are lost.” We must demonstrate the true meaning of the scripture that God has given us as we help meet their needs.

The Spirit has given each of us a special way to serve others. Some can speak with wisdom—others can speak with knowledge. As missionaries, we must ask God to reveal the need and guide us in the correct direction to help solve the problem. We must allow God to order our steps as we demonstrate to others the true meaning of the scripture that has been given to us.

We must understand what our mission is and seek wisdom from God how to effectively serve others, always making the most of our chances to tell others the “*Good News*” of Jesus Christ. We must always allow “*love*” to flow through us so that others can see the “*love*” in us—which is the greatest gift of all.

God is always there to lead and guide us as we do His will. We must spread the “*love*” and “*Good News*” throughout the entire world, so all can see we are a part of “*His Master Plan*.”

Missions is defined as an important assignment carried out for political, religious, or commercial purposes. *What is your mission?*

❖ Mrs. Lillie B. White, President Division of Missions ❖

*When God knocks at your door
To perform a duty
Do you refer Him to your friend
Or to your neighbor?*

*If God can use you
To get the job done
Then pray daily so that you can
Perform His job*

*Who can God use?
Can He use you
To get the job done?*

LVBA MISSIONS OUTING
THE CHILDREN'S HOME OF VIRGINIA BAPTISTS, INC.
SATURDAY, MAY 4, 2013

The Missions Division of the Lebanon Virginia Baptist Association and Allied Bodies visited the Virginia Baptist Children's Home in Petersburg on Saturday, May 4, 2013. The Home is a non-profit organization with a history of over 66 years of providing service and loving care to children.

Dr. Jean R. Cobbs, director of the Home greeted us as we arrived. She presented a very impressive talk concerning the Home and ways in which the Home needed help. Here are some of the facts she presented:

- The Home no longer houses children because they are being placed in group homes
- The revenue for the Home basically comes from churches and other organizations that provide support
- Due to the age of the home, there are many problems, such as broken or busted pipes, sewer problems, expensive lawn care, and high electric bills (just to name a few).

In order to help with the Home, afternoon programs have been implemented for the youths.

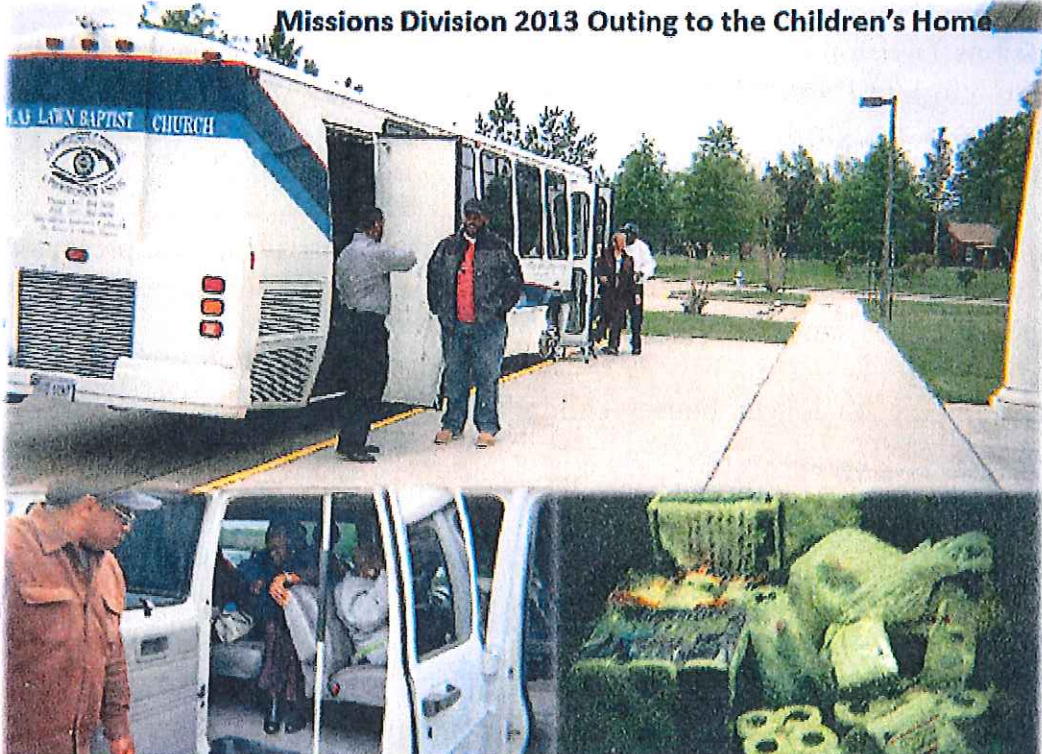

- After school programs – providing youths with a safe and wholesome out-of-school program during the school year.
- The summer enrichment program - an 8 week out-of-school-time program that provides fun and educational experiences for youths ages 6-14 from 8:00 a.m. – 5:00 p.m.

The Home has a banquet room which can be used for wedding receptions, banquets, conferences, etc. This venture is another means of providing income and support for the Home.

Dr. Cobbs complimented the youths that were with the group, and also the LVBA for supporting the Home over the years. We were presented a delicious lunch, after which we presented Dr. Cobbs with all the supplies requested and a total of \$849. She then took us on a tour of the facility. She was very appreciative of the visit and the items presented to her. We felt very proud because this was our mission—to spread joy to others.

There were 50 persons in attendance for our trip. The following church mission groups participated: Sandy Mount, Main Street, Mt. Nebo, Lebanon Surry, Morning Star, Mt. Sinai, Poplar Lawn, Emmanuel, and First Baptist Claremont.

(“Sung to the tune of “Blessed Assurance”)

Blessed with His goodness, blessed with His love.
Blessed with His showers that come from above.
Blessed with His sunshine, blessed with His air,
I'll go on helping everywhere.

God gives the courage, faith leads the way,
Onward we travel happy and gay.
Thinking of others, willing to share,
Taking God's message everywhere.

Re-mem-bering others, whenever I pray,
Looking to Jesus, He is the way.
Onward I travel; He's by my side.
I'll never falter, He is my guide.

Minutes of Ordination Council

Candidate Reverend Saretha Washington
(Co-Pastor - First Baptist Church Claremont, Va.)

The meeting was called to order by Moderator Dr. Bruce E. Childs. Dr. Childs then led the council in prayer. First Vice Moderator Dr. Eldridge Lucas III volunteered to act as the recording secretary for the session for the day. Moderator Childs requested that Dr. Lucas read the letter to the council which was forwarded by the First Baptist Church in reference to the forming of the council for the purpose of examining Reverend Saretha Washington. The council {through a motion and second of motion} voted to accept the letter and proceed with the process.

PURPOSE – The service was turned over to the Catechist Dr. Daniel Baltimore, President of the Division of Clergy of the Lebanon Virginia Baptist Association and pastor of the Mount Nebo Baptist Church, who informed the council of the desire of the church to ordain Rev. Washington so she would be fully equipped to assist her Pastor in the ministry. The council was closed and the names of all ministers present were recorded.

Dr. Baltimore explained to Rev. Saretha Washington the purpose of the ordination process, and informed the candidate that the examination would be in the following areas, Conversion, Calling, and Doctrinal Issues. Dr. Baltimore asked if the candidate understood everything up to this point and if she had any questions. The candidate responded by stating she had none. Dr. Baltimore asked the candidate to introduce herself to the council. Rev. Washington introduced herself as the spouse of Rev. Anthony Washington, pastor of First Baptist Church Claremont, a native of Bluefield, West Virginia, mother of three children and grandmother of four children.

All council members introduced themselves to the candidate; they being Pastor Anthony Washington, Dr. Bruce E. Childs, Dr. Daniel Baltimore, Dr. Eldridge Lucas III, Dr. Douglas Adams, Rev. Lucy Robertson, Rev. Alexander Bracey, and Bishop Japheth Omucheyi.

EXAMINATION PERIOD

The catechist asked the candidate to share her Christian experience concerning her conversion. Candidate Washington shared her Christian experience as a time of being introduced to Christ during and after a turbulent time in her life. She informed the council of being introduced to Christ by her brother who was a believer. After her acceptance of Jesus as Savior and Lord, the growth process began in her life.

Catechist questioned the candidate on her salvation. Are you saved? How do you know this to be true? Candidate responded by because I believe in my heart and confessed with my mouth according to Romans 10: 9-10.

CATEGORY ONE (The Ministers' Call)

Questions asked by catechist: #'s 1...2...3

Candidate answered these questions successfully to council. She informed the council that her calling was not an immediate calling in her opinion, but a progressive calling. Additionally, God instructed her not through an audible word, but an inner calling, through reading and studying the Word of God.

CATEGORY TWO (Doctrinal Questions, What we believe).

Candidate was questioned concerning the Articles of Faith in the Baptist Church.

Candidate was asked to explain her doctrine of the Trinity. She answered correctly. The Catechist then asked candidate to explain the functions of the Trinity, her answer was received well by the council.

The Candidate was asked how many gods there were. Who or What is Jehovah?

The candidate answered magnificently.

The Catechist proceeded to ask questions such as, define what a will is and what it does; what did we receive from the will. The candidate answered all questions correctly.

CATEGORY THREE (The Bible)

The Catechist requested the candidate to inform the council as to how many books there were in the Old Testament, and to explain their functions, i.e. whether they were History, Poetry, Law, etc. Also, what the first 5 Books of the Bible were called, and what were the major and minor prophetic Books were and why?

The candidate answered all questions correctly and in a superb fashion to the council.

CATEGORY FOUR (The Fall of Man)

The catechist asked the candidate to explain the fall of man. The candidate followed the Article of Faith as her answer, which was well received by the council.

CATEGORY FIVE (The Way of Salvation)

The catechist asked the candidate to explain what the freeness of salvation is and what she believed salvation is.

The candidate answered correctly pertaining to these questions.

CATEGORY SIX (Doctrines)

The candidate was asked to explain Justification, Regeneration and Sanctification. The candidate answered did an excellent job of defining these doctrines.

The catechist asked the candidate to tell the council what the church was. The candidate informed the council that the church was the called out body of believers set aside for the work of the Kingdom of God.

CATEGORY SEVEN (Officers)

The catechist asked the candidate to explain who the two scriptural officers of the church were. She answered Pastor and Deacons.

The catechist asked the candidate concerning the 'ways in the Baptist church, the ways out of the Baptist church, and what the ordinances of the Baptist Church were.

CATEGORY EIGHT (Baptism & Lord's Supper)

The candidate was asked to explain what baptism represented and if baptism alone would save you. Additionally the candidate was asked what the breaking of bread and the drinking of wine represented during the ceremony of the Lords Supper.

The candidate answered correctly all questions during this section as well.

The candidate was asked to leave the room while the council convened to consider the next step in the process.

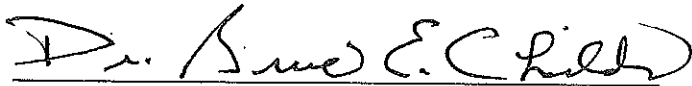

The Catechist (Reverend Dr. Daniel Baltimore) entertained a motion to end questioning at this point. Dr. Douglas Adams moved that council end the examination of candidate due to the fact Reverend Saretha Washington answered all questions satisfactorily, and she should proceed through the act of ordination. The motion was carried and passed with a unanimous vote.

The council further agreed that Reverend Saretha Washington is qualified to function in whatever capacity the church desires.

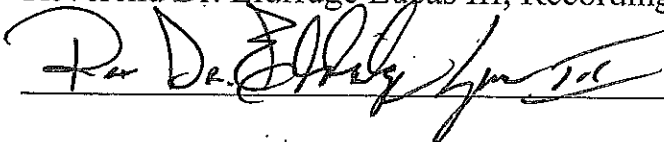

The Moderator Dr. Bruce E. Childs, requested Reverend Washington return to the room and she was at that time informed by the ordination council that it was their decision to inform her church (First Baptist Church) that she had passed the examination by the council.

Reverend Anthony Washington informed council that the ordination service would be at Abundant Life Ministries Church at 1:00 p.m. the same date. Closing prayer and benediction was given by Moderator Dr. Bruce E. Childs.

ORDINATION AND RECOGNITION OF ORDINATION IN LEBANON VIRGINIA BAPTIST ASSOCIATION CHURCHES

INTRODUCTION: We recognize and celebrate the autonomy and diversity of our member congregations which make up our Association and Allied Bodies. We bring together differing styles and patterns of worship through which God has worked. In bringing these together, we affirm our autonomy and diversity, even as we seek to work together in mutual ministry for Christ. While ordination grows out of our need to extend ministry and service beyond the local church, this mutual ministry calls for a process of affirmation and recognition of ordination by the congregations which make up the churches of the Lebanon Virginia Baptist Association and Allied Bodies.

THE ORDINATION PROCESS: A congregation desiring an ordination to be recognized in the LVBA is encouraged to follow these guidelines and procedures. LVBA affirms the autonomy of all the local congregations which make up the Association and Allied Bodies.

1. The congregation desiring ordination for a candidate, should contact the Moderator via written communication to start the process ordination.
2. The Moderator should contact the President of the Division of Clergy, who shall contact the local congregation and the candidate to clarify and facilitate the process.
3. The Division of Clergy along with the candidate's pastor shall call for an Ordination Council and recommend to the local congregation that an Ordination Council be called informing the congregation of those steps to be taken before calling an Ordination Council. The Council shall review the candidate's background in the following areas:
 - a. Christian Character and the Lordship of Christ as evidenced in Christian Ministry
 - b. Understanding of the Purpose of the Church and its Ministry
 - c. Call to the Christian Ministry

4. The Candidate shall prepare a "Statement of Faith" for the Ordination Council. It shall include a comprehensive understanding of Christian doctrine and practice, including an understanding of God, Christ and the Holy Ghost; the purpose and place of the Church in today's world; an understanding of the ordinances as practiced by the congregations of LVBA, personal commitment to the ministry and the relationship of the local congregation to the Association and Allied Bodies; and the role of the minister/pastor.

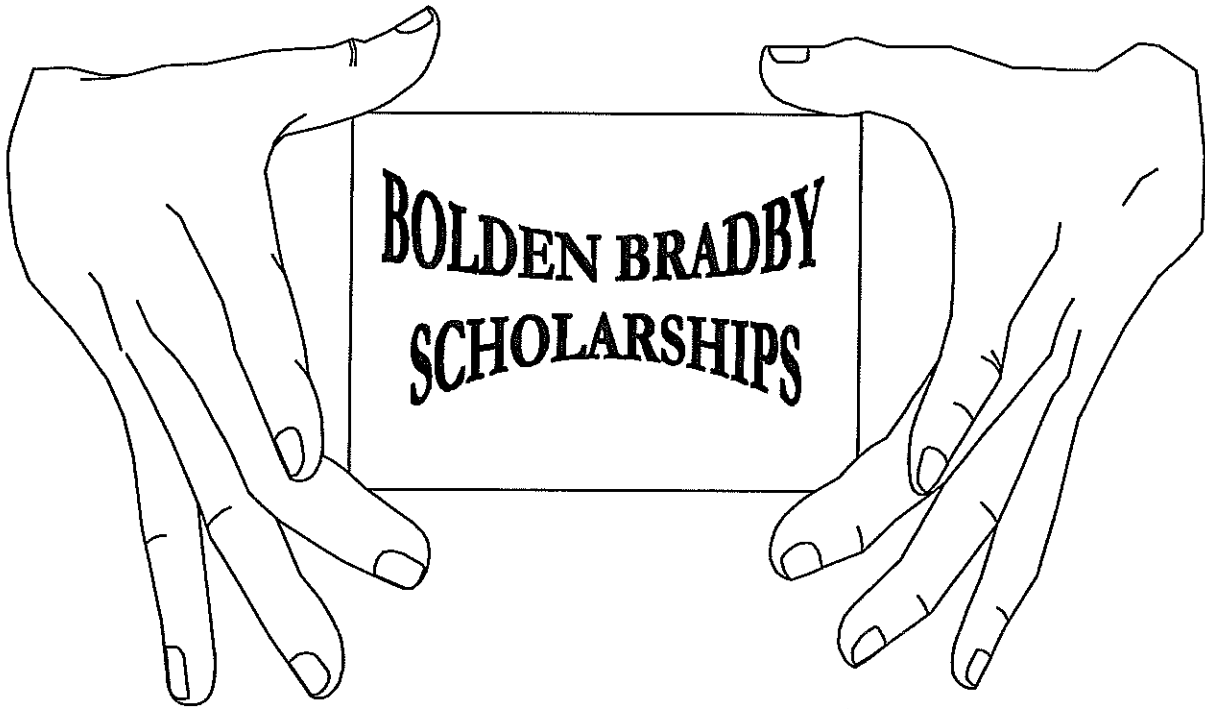

5. The local congregation in cooperation with the Division of Clergy shall invite every Church in the Association to send both clergy and laity to form the Ordination Council. Where appropriate, the catechizer should be agreed upon by the Candidate's Pastor and the local congregation. The Statement of Faith shall be presented to the Ordination Council.

RECOGNITION OF ORDINATION OTHER THAN LVBA

1. A congregation desiring the recognition of the ordination of an individual coming from a tradition other than the LVBA shall first contact the Moderator via written communication.
2. The congregation will proceed to call an Ordination Council. Included among those invited will be all LVBA member congregations.
3. On the day of the Ordination Council, there must be at least four ordained LVBA clergies. Those attending the Council will question the candidate on the issues of faith and ministry with a special emphasis on issues relating to ministry with the LVBA (addressing the issues of ethnic inclusion, ecumenical witness, women in ministry and the relationship of the local congregation to the Lebanon Virginia Baptist Association.)
4. A cleric's report of the attendance and action of the Ordination will be sent to the local congregation and moderator.
5. The LVBA will formally recognize the ordination.

STEPS FOR CONGREGATIONS OF LVBA TO TAKE IN PREPARATION FOR ORDINATION

FOREWORD

The work of the Lebanon Virginia Baptist Association is contingent upon the smooth and methodical workings of the committee, which has been established. This manual has been prepared to provide each committee with its purpose, method of operation and its responsibilities to the Association.

Each committee is responsible for making an annual report to the Association and some committees may be required to make additional reports during the year to the Executive Council. Deadlines for each report will be established so that the report may be printed in advance of a scheduled meeting or function and then made available at that meeting for our members and delegates. We thank you for your prayerful and cheerful cooperation as we work together.

ACKNOWLEDGEMENTS

“MAXIMIZING THE IMPACT: Understanding our Mission”

“For the Son of Man has come to seek and save those who are lost”

(Luke 19:10 – NIV)

The Lebanon Virginia Baptist Association and Allied Bodies would like to extend a special thanks to our speakers, facilitators, helpers, technical and logistical support, attendees, and ALL other persons who helped to make this 130th Annual Session a successful and meaningful occasion.

To our host, Dr. Daniel L. Baltimore and the Mt. Nebo Baptist Church Family, we are truly grateful for all that you have done for the Association and are still doing for us. Your kindness, hospitality, and generosity has meant a lot to the success of the Association. You have made every effort to meet our needs and you have gone way beyond our greatest expectations. We thank you and we thank God for you and the wonderful people of Mt. Nebo who have graciously taken in the Association these past years. You've prepared delicious snacks and wonderful banquet meals; you've allowed us use of your resources; overall, you've given us the *“run of the house”* and allowed us to feel right at home. We can't thank you enough.

We would be remised if we did not thank the churches who hosted our Fall, Winter, and Spring Sessions. To First Moderator, Rev. Dr. Eldridge Lucas, III and the Emmanuel Baptist Church Family; Rev. Dr. Alexander Bracey, III, and the First Gravel Hill Baptist Church Family; Rev. Dr. Robert Elliott, Jr. and the Morning Star Baptist Church Family; and the Moderator's Church Family, the Poplar Lawn Baptist Church, we express our heartfelt thanks and appreciation for the delicious breakfasts that you prepared for each planning session for the last four years.
